Black & White Collection

BLACK & WHITE

Black and White, in other words the contrast par excellence

Whiteness and fullness to give depth to small sized environments. Those who love the fulfillment of forms can count on a "duo" able to draw a perfect balance.

Alternating Black and white or rather as a uniform choice, will always be up-to-date colours ready to dress up any place

Wall mount

Eco-friendly for inside and outside

Freestanding

Green planters walls,
ideas for small spaces

Fitting smartly reading and green corners

Ideal for decorating any space
bedroom, living room or studios.

Flair and lightness.

*Black & White storage systems
fit into any contemporary or classic place*
